CAPABILITY STATEMENT

COMPLETE SIGNAGE SOLUTIONS

Sunset Signs provides high quality, custom designed signwriting and signage solutions. We are a full service signage company with more than 40 years of experience.

Sunset Signs provides consultation, site analysis, design, manufacturing, installation and project management services.

All of our signage is manufactured in-house and installed by our highly qualified and experienced tradespeople.

Sunset Signs works with some of Australia's biggest brands to deliver projects both big and small. Your organisation's brand image is critical to success in business and you can trust Sunset Signs to enhance your brand and make your organisation stand out.

Our focus is to satisfy and exceed our client's requirements. We will help your brand make an impact, whether it's a single business project or a multi-site national signage roll out.

SUNSET SIGNS – CONSULT • DESIGN • DELIVER

SIGNAGE CONSULTATION & DESIGN

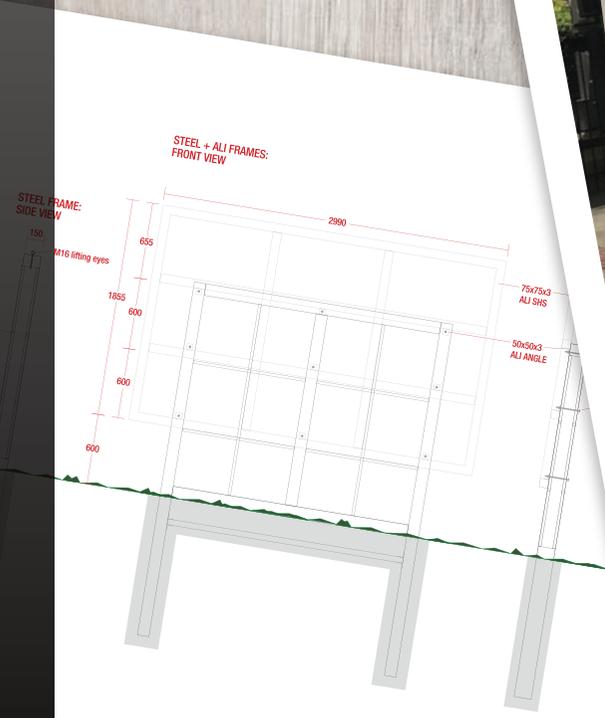

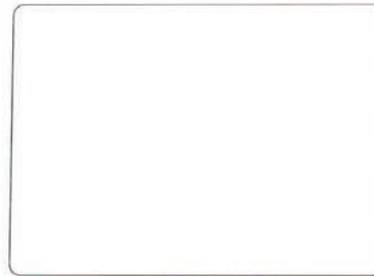

Sunset Signs offer a complete range of signage support services to our clients to ensure you do not have to waste any of your valuable time to achieve great results for your brand.

Sunset Signs has an onsite team of highly skilled, experienced and qualified graphic designers, signage designers, CAD operators and project managers that can provide the best solution for your businesses objective and budget.

Your Sunset Signs' project manager will oversee your project from quote through to design, manufacture, installation and final inspection.

SUNSET signs

at a rate of \$90.00 + GST per hour. Sunset Signs takes every care but does not accept responsibility for spelling mistakes after approval has been granted. We do not provide PMS colour codes or CMYK breakdown. All artwork created by Sunset Signs is copyright and remains the property of Sunset Signs.

SIGNAGE MANUFACTURE

When established in 1978, Sunset Signs specialised in traditional hand signwriting and screen printing. The evolution of technology has seen the industry change substantially over this period and we have grown from strength to strength with every technological advancement within the industry. Technology will keep advancing and we are committed to staying ahead of the game.

Sunset Signs provides a comprehensive range of signage manufacturing solutions to service many different industries.

Some of our manufacturing services include;

- Steel & aluminium fabrication
- Acrylic fabrication
- ACM machining
- Laser cutting
- Digital printing
- Flatbed printing
- Vinyl cutting
- Signwriting
- LED illuminated signage
- 2-pac painting

SIGNAGE INSTALLATION

There is more to signage than design and printing. Professional signage installation by skilled and experienced tradespeople is critical for the best result. Your project is not finished until it has been professionally installed, cleaned and touched-up. We look after all of this and photograph the signage to ensure you're happy with the end result.

Sunset Signs provides the following signage and onsite services by licensed and experienced staff;

- Vinyl installation
- Vehicle signage & wraps
- Pylon signs
- Freestanding & billboard signs
- Shopping centre signage
- Shopfront and internal fitout signage
- Painting
- Line marking
- OH&S compliance
- Australian wide installations
